

Three-dimensional S-wave Velocity Structure of Central Japan Estimated by Surface-wave Tomography Using Ambient Noise

Dataset posted on 16.03.2020, 17:26 authored by Hiro Nimiya, Tatsunori Ikeda, Takeshi Tsuji

You can download the 3D S-wave velocity structure model.

The data include

1	2	3	4	5
---	---	---	---	---

1	Latitude	Longitude	depth	Vs
---	----------	-----------	-------	----

2	Latitude	Longitude	depth	Vs
---	----------	-----------	-------	----
